

Dear mum/dad/brother,

We passed together 3 big lockdowns!

Thank you mum and dad for your delicious breakfast, lunch and dinner. Thank you brother for playing with me. Thank you mom/dad for helping me with the homework.

Thank you dad for managing the Internet/computer.

I love you!

Lockdown
Hard time
Staying at home
Keeping the distance
Lonely.

Masks
Look cool
But being locked up
Really sucks
Freedom.

Every
Every day
Every day alone
Every day alone at
Home.

Lockdown

A new life.

A state in our life

Where everything changed.

New rules.

It was a hard time,

But it proved our

Bond.

The bond in between

Our family and friends.

You may have lost some friends,

But that tells you

Who stays and who leaves

In a difficult situation.

But it all happened for a reason.

Lockdown.
